## GUIDE TO FINDING YOUR PERFECT ASTORAA RING

## METHOD 1

Step 1: Take a small piece of string, thread or ribbon
Step 2: Wrap it snugly around your finger and mark the spout where the thread meets
Step 3: Measure the length of string with your scale
Step 4: Use our chart to determine the finger ring size

## METHOD 2

Step 1: Find a ring that your loved one
currently wears
Step 2: Make sure that the finger ring is the latest finger ring he or she wears
Step 3: Place the ring on top of each circle until you find a perfect match
Step 4: Double check for accuracy
After Step 4 Use the International Ring Size Chart to determine your size againts the corresponding Astoraa code**

- Tip: Do not wrap the string too tight. Aim for comfortable fit. © Tip: Take help of someone to measure the string accurately. -Tip: CHECK: Double check for accuracy.
